Folding Meter Sticks (Plastic) 1000-MM 2005

Qty : 1

This folding meter stick folds into fourths on three hinges for easy storage. Calibrated in Metric units and enable us to measure objects, its important to know how to read a ruler because you never know when you might need to measure furniture or other objects. Metric rulers only deal with centimeters and millimeters. Inches are a part of the American system, but the metric ruler uses the metric system, which is based on decimals.
