Magnetic Fraction Disk 1000-FT 900

Children have fun learning fractions with these hands-on math manipulative perfect for games and activities. These colorful, soft foam magnetic fraction circles make it simple and fun to teach students about fractions and their relationships. The easy-to-grip color-coded pieces let children see, feel, and compare equivalent fractions. Use the foam fraction circles on any magnetic surface. Set includes 55 proportional foam magnetic pieces showing fractions in a whole, halves, thirds, fourths, fifths, sixths, Seven, eighths, Ninth and tenths. Excellent for small and large group instruction
